

MY RULES FOR ONLINE SAFETY

Keep this pledge at your computer.

- I will not give out personal information such as my address, telephone number, parents' or guardians' work address or telephone number, or the name and location of my school without my parents' or guardians' permission.
- I will not give out my Internet password(s) to anyone (other than my parents or guardians), even to my best friends.
- I will tell my parents or guardians right away if I come across any information that makes me feel scared, uncomfortable, or confused.
- I will never agree to get together with someone I first "meet" online without checking with my parents or guardians. If they agree to the meeting, I will be sure it is in a public place and bring my parent or guardian along.
- I will never send a person my picture or anything else without first checking with my parents or guardians.
- I will not respond to any messages that are mean or in any way make me feel scared, uncomfortable, or confused. It is not my fault if I get a message like that. If I do I will tell a trusted adult right away so they can contact the online service.
- I will talk with my parents or guardians so we can set up rules for going online. We will decide upon the time of day I can be online, the length of time I can be online, and appropriate area for me to visit. I will not access other areas or break these rules without their permission.
- I will practice good "netiquette" by not hurting other people or breaking the law.
